Fat Cat

There was a cat
Who was fat
Or round or cuddly or plump?
She slept all night, and part of the day
And dozed in between on a mat.

Saffy dreams of thinner times
And all the fun she had

One morning Saffy wakes up
And decides to stay awake.
She cleans herself
And eats her meal
And wanders around the place

She smells the flowers
She stalks a lizard
She looks up at a tree...
and promptly falls asleep

Saffy is a fat cat
A cat who sleeps and eats
Saffy is a fat cat
Who dreams of thinner times
